Florida Laws and Rules Pertaining to Pesticide Sale and Distribution

Florida Department of Agriculture and Consumer Services
Nicole "Nikki" Fried
Commissioner
Division of Agricultural Environmental Services

This is a summary of Florida laws and regulations that pertain to pesticide sale and distribution (Chapter 487, Florida Statutes, and Rule Chapters 5E-2 and 5E-9, Florida Administrative Code). Section numbers are not sequential because only certain parts of the law and rules have been extracted for this summary. For a complete copy of this law and these rules, see the web site https://www.freshfromflorida.com/ or contact the Pesticide Certification Section at (850) 617-7870.

Chapter 487, Part I, Florida Statutes - "Florida Pesticide Law"

487.031 Prohibited Acts. - It is unlawful:
   (4) To detach, alter, deface, or destroy, in whole or in part, any label or labeling provided for in this part or rules promulgated under this part, or to add any substance to, or take any substance from, any pesticide in a manner that may defeat the purpose of this part.
   (6) To disseminate any false advertisement.
   (7) For any person to dispose of a pesticide that has been placed under stop sale, stop use, removal or hold order issued by the department without a written release order from the department or to remove stop sale, stop use, removal or hold order from article so detained.
   (9) For any person to handle, transport, store, display, or distribute pesticides in such a manner as to endanger food, feed, or any other products that may be transported, stored, displayed, or distributed with such pesticides.
   (10) For any person to dispose of, discard, or store any pesticides or pesticide containers in such a manner which causes injury to humans, vegetation, crops, livestock, wildlife, or pollinating insects or to pollute any water supply or waterway.
   (11) For any person to handle, transport, store, display, or distribute pesticides in such a manner as to endanger food, feed, or any other products that may be transported, stored, displayed, or distributed with such pesticides.
   (12) For any person to dispose of, discard, or store any pesticides or pesticide containers in such a manner which causes injury to humans, vegetation, crops, livestock, wildlife, or pollinating insects or to pollute any water supply or waterway.
   (13) For any person:
      (a) Make a false or fraudulent claim through any medium, misrepresenting the effect of materials or methods used;
      (b) Make a pesticide recommendation or application not in accordance with the label, except as provided in this section, or not in accordance with recommendations of the United States Environmental Protection Agency or not in accordance with the specifications of a special local need registration;
      (c) Refuse or, after notice, neglect to comply with the provisions of this part, the rules adopted under this part, or any lawful order of the department;
      (h) Refuse or neglect to keep and maintain the records required by this part or to submit reports when and as required;
      (i) Make false or fraudulent records, invoices, or reports;
      (j) Use fraud or misrepresentation in making an application for a license or license renewal;
      (k) Refuse or neglect to comply with any limitations or restrictions on or in a duly issued license;
      (l) Aid or abet a licensed or unlicensed person to evade the provisions of this part, or combine or conspire with a licensed or unlicensed person to evade the provisions of this part, or allow a license to be used by an unlicensed person;
      (m) Make false or misleading statements during or after an inspection concerning any infestation or infection of pests found on land;
      (n) Make false or misleading statements, or fail to report, pursuant to this part, any suspected or known damage to property or illness or injury to persons caused by the application of pesticides;
      (o) Impersonate any state, county, or city inspector or official;
      (r) Fail to provide authorized representatives of the department with records required by this part or with free access for inspection and sampling of any pesticide, areas treated with or impacted by these materials, and equipment used in their application.

487.048 Dealer’s license; records. -
   (1) Each person holding or offering for sale, selling, or distributing restricted-use pesticides shall obtain a dealer’s license from the department. Application for the license shall be made on a form prescribed by the department. The license must be obtained before entering into business or transferring ownership of a business. The department may require examination or other proof of competency of individuals to whom licenses are issued or of individuals employed by persons to whom licenses are issued. Demonstration of continued competency may be required for license renewal, as set by rule. The license shall be renewed annually as provided by rule. An annual license fee not exceeding $250 shall be established by rule. However, a user of a restricted-use pesticide may distribute unopened containers of a properly labeled pesticide to another user who is legally entitled to use that restricted-use pesticide without obtaining a pesticide dealer’s license. The exclusive method of distribution of the restricted-use pesticide is to keep it from becoming a hazardous waste as defined in 3C. 403.703(21).
   (2) A record of each sale of a restricted-use pesticide shall be maintained by the licensed dealer for a period of 2 years and shall be made available to the department upon request. The content of the record shall be established by department rule.

Chapter 5E-2, Florida Administrative Code - “Pesticides”

5E-2.022 Storage of Restricted Use Pesticides. Restricted use pesticides shall be stored and maintained in a secure manner, such that they are not easily accessible to unauthorized persons.

5E-2.028 Restrictions on Use and Sale of Aldicarb; Reporting Requirements and Procedures; Department Approval; Records; Penalties.
   (1) Use and Sale Restrictions. The use of aldicarb in accordance with label directions is authorized statewide, with the following additional restrictions:
      (i) Sales documents from any person selling or distributing aldicarb in Florida shall state: “For use only as authorized by Rule 5E-2.028, Florida Administrative Code.”
Penalties. The use, sale, distribution or application of aldicarb by any person in a manner inconsistent with the provisions of this rule is a violation of Chapter 487, F.S.

5E-2.033 Organ-o-Auxin Herbicides: Restrictions and Prohibitions.

1. SYNT HETIC ORGANO-AUXIN HERBICIDES: The synthetic organo-auxin herbicides are defined as herbicides which produce hormonal auxin type effects on plants similar to the effects of 2,4-D. These herbicides include:
