eligibility for continuing education credits under Rule 5J-17.041 (1)(f), F.A.C.
SECOND: Mr. Grubbs seconded.
ACTION: The motion passed unanimously.

APPROVAL OF AMERICAN TRAFFIC SAFETY SERVICES ASSN. – ANDREW TRAYNER – LS 6504

After discussion, the following motion was made:

MOTION: Mr. McLaughlin made a motion to DENY the 1.85 hours of continuing education credits to
Mr. Trayner after determining that the course, “Florida Advanced Training Course” did not
lead to advanced professional certification in surveying and mapping discipline as
required for eligibility for continuing education credits under Rule 5J-17.041 (1)(f), F.A.C.
SECOND: Mr. Grubbs seconded.
ACTION: The motion passed unanimously.

PUBLIC COMMENTS

Mr. Elder stated that in his experience of taking MOT (Maintenance of Traffic), CSX and related courses, the
amount that was directly survey-related is a paragraph at best. He said that he thinks that maybe we are
looking at regulatory compliance vs. continuing education in the surveying profession.

ADJOURNMENT was at 11:24 a.m.
