DISCUSSION ON EVERGLADES UNIVERSITY

Ms. Harper said that the Board office continually receives questions from prospective students regarding enrolling in the Everglades University and if they would qualify for licensure after obtaining a degree from the University. Mr. Campanile said that a 4-year Bachelor’s degree, based on Chapter 472.13(2)(b), F.S. would qualify the students, along with 6 years’ experience, 5 years of responsible charge and 25 semester hours. Mr. Campanile said that the bottom line is to follow the law.

PUBLIC COMMENT

Mr. Lou Campanile asked the Committee if they would consider a consent agenda for reviewing applications for licensure. After discussion, the consensus was that the Board staff would send the Application Board package to the Application Review Committee approximately 3 weeks prior to the meeting and the committee members would determine what applicants would be discussed and who would be on the consent agenda. Ms. Harper asked if the Board would like for the Surveyor-in-Training applications to be approved in the Board office. After discussion it was determined that the Board would continue to review all Applications for Licensure and Applications for Surveyors-in-Training.

ADJOURNMENT AT 10:31 A.M.
APPLICATION REVIEW COMMITTEE RE-OPENED AT 3:38 p.m.

Ms. Harper said that the following applicant’s information was being questioned in an e-mail by Mr. Marques’ current employer, Paul “Rick” Burns:

MARCIO MARQUES, JR.

After discussion the following motion was made:

MOTION: Mr. Campanile made a motion to DENY Mr. Marques’ application due to the inability to satisfy the education requirement in Chapter 472, F.S.

SECOND: Mr. Conkling seconded.

ACTION: The motion passed unanimously.

She said that Mr. Burns was concerned that Mr. Marques was not afforded any comments or responses to the Application Review Committee’s questions. Mr. Burns requested that the Committee re-review Mr. Marques’ application for licensure. Mr. Burns explained in his e-mail that Mr. Marques’ transcripts that were submitted to the Board were from Brazil and a certificate is the only type of education required in that Country. He said that Mr. Marques’ certificate represented 1,620 course hours even though it was obtained in 1.5 years which is standard in Brazil. Mr. Burns said that this equates to 74 months of responsible charge. He said that he is well-qualified and should be able to be licensed in Florida. Mr. Campanile said that there is also an issue with employment verification.

After discussion the following AMENDED motion was made:

MOTION: Mr. Campanile made a motion to TABLE Mr. Marques’ application due to the inability to satisfy the education requirement in Chapter 472, F.S. and reconcile dates of employment between reference and recommendation letters and employment data included in the application package which would verify total experience and the lack of specificity of responsible charge experience.

SECOND: Mr. Conkling seconded.

ACTION: The motion passed unanimously.
