New Leadership, New Vision

This marks the first edition of the Division of Licensing newsletter under a new administration with new division leadership. The first order of business is to acquaint the licensees in the regulated industries with the new leaders within the department and the division.

Nicole “Nikki” Fried — Commissioner of Agriculture and Consumer Services

Commissioner Fried is Florida's 12th Commissioner of Agriculture and Consumer Services. She is a lifelong Floridian, attorney, and passionate activist.

Born and raised in Miami, Commissioner Fried graduated from the University of Florida, where she received her bachelor's, master's and juris doctorate degrees. While in law school, she served as student body president, the first woman to hold the position in nearly two decades.

Before her election, Commissioner Fried worked as an advocate in Tallahassee, representing at-risk children, the Broward County School Board, and working to expand patient access to medical marijuana. She previously served as head of the Felony Division in the Alachua County Public Defender's Office, and has worked with law firms as a government consultant, advocating on behalf of clients before the Florida Legislature. Working in private practice in South Florida, she defended homeowners against foreclosure during the 2007-2008 housing crisis.

During the first quarter of the first year of her administration, Commissioner Fried has devoted herself to building a strong new administration focused on innovative ideas for change as well as on building on the successes of past administrations. With this objective in mind, Commissioner Fried announced new leadership for the Division of Licensing in February.

Stephen D. Hurm, Director — Division of Licensing

Steve Hurm has over thirty years' experience as an attorney and a law enforcement leader in various state and local agencies, and seasoned expertise in developing successful risk management strategies and training individual and supervisors in legal competencies. Most recently, he worked as a director and researcher at the Florida State University Institute for Law Enforcement Research and Policy, where he was responsible for the development and leadership of the research and policy institute focused on critical issues pertinent to law enforcement agencies and officers.

A Florida native, Hurm graduated from Stetson University College of Law in 1986. Director Hurm previously served as General Counsel for the Florida Department of Highway Safety and Motor Vehicles, Major and Division Director at the Leon County Sheriff’s Office, as Captain, General Counsel, and Accreditation Manager for the Okaloosa County Sheriff’s Office, and as a Regional Legal Advisor and Special

Florida Department of Agriculture and Consumer Services
Agent for the Florida Department of Law Enforcement. Director Hurm resides in Tallahassee with his wife, former U.S. Representative Gwen Graham, two poodle mixes and a lop-eared rabbit.

**Jordan Anderson, Assistant Director — Division of Licensing**

Jordan Anderson is a seventh-generation Floridian from Tallahassee. Recently, he served as Deputy Field Director for Our Future, an organization focused on voter outreach and engagement. Assistant Director Anderson also led advocacy campaigns during the 2017 and 2018 legislative sessions and helped oversee the recent statewide recount process in coordination with the Florida Democratic Party in his role as an attorney. Prior to joining For Our Future, he was a Regional Field Director on former Congresswoman Gwen Graham’s 2014 campaign for the U.S. House of Representatives. Jordan graduated from Florida State University’s College of Law in 2016, and he is a member of the Florida Bar Young Lawyers Division.

**Brandee Jurkowski, Chief — Bureau of License Issuance**

Brandee Jurkowski is a veteran of over 20 years with the Division of Licensing. In the years since she was hired as a temporary services employee in 1997 in the division’s mailroom, Brandee has worked in almost every work unit within the division. She has a detailed knowledge of all aspects of the division’s operation, from application processing to criminal history review, from mailroom intake to business workflow analysis. This wide-ranging experience and in-depth knowledge of the division make her uniquely qualified to serve as chief in the Bureau of License Issuance. As one division manager once put it: “Brandee can see both the forest and the trees.”

**Grant Sellars, Chief — Bureau of Support Services**

Grant Sellars has twenty-seven years' experience with state government, working in various leadership and team roles on behalf of multiple State Agencies’ implementing strategic IT solutions designed to better serve the citizens of Florida. During the past decade, Grant has served as Deputy Chief Information Officer for the Florida Department of Highway Safety and Motor Vehicles and the Florida Department of Financial Services. In those roles, Grant was responsible for the oversight and operations of Florida’s largest licensing and financial database systems including the Florida Driver License Information System (FDLIS), and the Florida Accounting Information Resource (FLAIR). Grant also served dual roles as both the IT Committee Chairman and Chairman of the Board of Trustees for Florida’s Shared Resource Center initiative. As the new Chief of Support Services, Grant brings well-seasoned years of IT related knowledge and experience to the Division of Licensing. Grant’s simple approach to IT initiatives is “Teamwork is Everything.”

A native of Tallahassee, Grant Sellars graduated from Florida State University in 1987. He is a guitar enthusiast and collector, former featured columnist for a Florida sports magazine, and a self-proclaimed gumbo expert.

**AgCSS Update**

For the time being, systems development and design work on the Agriculture and Consumer Services System (AgCSS) is on hiatus. Over two years have passed since work began on the system, and several statutory and policy changes have taken place in that time. Management temporarily suspended the project so as to allow for an independent review of the division’s current business needs by a third-party auditor to assure that all these recent changes have been fully incorporated into the system’s planned configuration. This review will include an assessment of the system development work that has been completed to date. This study is expected to be completed within the next six months, after which time the project will resume with any necessary modifications to system design and realignment of its schedule.
PIRSAC Update

The first-quarter meeting of the Private Investigation, Recovery, and Security Advisory Council (PIRSAC) was convened on Thursday, March 14, 2019, at the Hilton Orlando in Altamonte Springs.

As a quorum of the Council was not present, no official business was conducted at this meeting. However, the event did provide an excellent opportunity for Director Hurm and Assistant Director Anderson to meet those Council members who were present and to acquaint themselves with many of the key issues facing the Council and the regulated industries.

The next Council meeting is scheduled to be held in Orlando at the Hyatt Regency Grand Cypress, 1 Grand Cypress Boulevard, Orlando, on June 14, 2019. For additional information about this meeting, please contact Stefannie Carter at Stefannie.Carter@FreshFromFlorida.com or (850) 245-5443.
Pursuant to Section 493.6123, Florida Statutes, the Division of Licensing is required to publish the name and locality of any licensed or unlicensed person or agency against whom an administrative complaint has been filed and a final order has been issued. The following is a list of final orders issued during the period January 1, 2018, through June 30, 2018. NOTE: When "X" precedes a license type, it designates unlicensed activity in that regulated field. EXAMPLE: “XC” indicates unlicensed private investigative activity; “XE” indicates unlicensed repossession activity.
