Planned Field Trip visits:

Florida Academy of Nutrition and Dietetics (FAND) legislative and Second Harvest Food Bank of Big Bend experiences – availability of activity will determine if these experiences can be completed.

Food and Nutrition Meetings and Conferences

Tallahassee Academy of Nutrition and Dietetics (TAND) meeting; Florida School Nutrition Association (FSNA) Conference (local/state/regional); Florida Academy of Nutrition and Dietetics (FAND) Conference; Coordinated School Health Meeting; Florida Interagency Food & Nutrition Committee (FIFNC).

****Holidays:** Distribution of supervised practice hours between student rotations may slightly vary due to holidays. Days off will be dictated by staff/preceptors based on usual practices during the holiday being observed. General rule is if the site observes the holiday, then the intern also has the time off. Vacation is scheduled the week between Christmas and New Year's Day.

The mission of the Department of Agriculture and Consumer Service's Dietetic Internship Program is to educate and prepare future nutrition professionals to apply innovative approaches that improve the quality of school meals and impact the current and long-term nutritional status of children.
